

BOOKS FOR CAREGIVERS!

Is there a book you would like to read?

Is there a caregiving book you would like to read?

How about a caregiving DVD you would like to watch?

A podcast? Another type of caregiving resource you would like access to?

One of the ways FPSS Society has chosen to help caregivers during self-isolation while we have cancelled all of our in-person events is to order caregivers books and other resources to help them stay up-to-date with their caregiver training.

We will order you the resource and have it shipped directly to your door, when you are finished with the resource you can return it to your local coordinator.

Then it can be added to the FPSS Society Library
for other caregivers to use as well!

If there is a resource you would like FPSS Society to order for you please call us toll free at 1-888-922-8437 or send an email to Dan Malone, Executive Director at execdirect@fpsss.com.
